- Using Coluzzle cut out a circle in your Window Sheet the diameter of the ornament.
- Stamp snowflakes using blue StazOn ink, being careful not to smear the ink.
- Roll your circle of window sheet into a tube and slide into the ornament. Use a bamboo skewer to straighten and center the window sheet if necessary.
- Stamp snowman tag and punch using the Jumbo Tag Punch.
- Tie a loop with Silver cord and dangle the snowman tag from the loop. Fray the ends if desired.
